RE: Medical and Related Services for Visiting Teams

Welcome to Catawba College. The information provided here will assist you during your stay on campus.

The following items will be provided to you:

1. Emergency equipment, spine board, AED, crutches and splints will be on the HOME side.
2. One large (90 quart) chest of injury ice with plastic bags and bio-hazard container on your sideline.
3. Four 10 gallon coolers of water and 300 cups on your sideline.
4. Two flat tables on your sideline and two smaller table for coolers or equipment.
5. Two taping tables either in the hallway nearest your locker room or you can use the larger tables under the outside overhang (Football stadium parking lot side of gym).
6. Three ten gallon coolers of water, 300 cups, cooler of ice/bags, and small hydrocollator unit and biohazard container in your locker room area.
7. Water supply and electrical outlets are on your sideline directly behind the visitor's bench.
8. Soft drinks/Bottled Water are normally available in your locker room area for use at half-time or post-game (this comes from game management and not athletic training).
9. Host athletic training students available to assist as needed with bringing equipment to sidelines.
10. Ambulance service will be provided on-site (on an on-call basis) and is staffed by Rowan Rescue Squad.
11. Our team physicians, Chip Comadoll, MD will be available for orthopedic concerns and Kevin Burroughs, MD or Brent Messick, MD for sports medicine/family medicine concerns.
12. Quick emergency care/treatment needs can be performed at Novant Health Urgent Care located 5 minutes from campus (704) 638-1551.
13. Rowan Regional Medical Center (hospital) is 2 minutes from campus (704) 210-5000.
14. Please note that 911 is available.
15. This year we will have x-ray services available for both teams to use during home football games and will be located in the Catawba College Field House locker room area.

Please feel free use the phone numbers below and do not hesitate to contact me if needed.
