

Catawba College

Student Government Association

November 15, 2007
SGA Room: Cannon Student Center

A regular meeting of the Catawba College Student Government Association was called to order by President Richard Dunbar at 9:17pm. Quorum was present and minutes from the last meeting was unavailable so the meeting went on.

A. Concerns

- J.J. Johnson stated his concerns about the new guidelines for the new Abernethy Village apartments and suites point system. He stated that the guidelines were dated for November 1st and he thinks that they should be for the entire campus.
- Jon Rhodes stated that there was a lack of informing the entire student body about the point system and just a lack of notice all together.
- Lindsey Jackson asked why the guidelines in place are and why is it just for Abernethy Village.
- Dean Sullivan stated that the guidelines are in place because students need to be held accountable for these new apartments and suites because it is a privilege to reside there and they need to be cleaned regularly and not trashed by the end of the year.
- Laura Jollay expressed her concern about the music level in the computer labs in Ketner. She stated that there is loud music, students using the computers for such things like "Facebook" and "Myspace" instead of educational purposes.
- Dr. Silverburg stated that students need to show respect during exams.
- Heather Schiffhauer stated that we needed to put laminated signs near the headphone plug-in on each computer.
- Lucy Scott suggested that we have a quiet campaign for student to be considerate of.
- Kenzie Brogden stated that students needed to use their cell phones outside of the computer lab due to the noise level.
- Laura Jollay suggested that the senior class handle the signs for their community service project.
- President Richard Dunbar said that we would start the quiet campaign after Thanksgiving.
- Lucy Scott also expressed her concerns about some safety issues due to some major and minor injuries occurring. She asked if there was a way to fix the sink wholes near the old entrance to the cafeteria. Dean Sullivan stated that maintenance and Public Safety have been notified.

- The Freshman and Honors Classes needs help and support with sending shoe boxes to impoverished kids from West Virginia. They need items such as clothes, toys, and a sentimental item.
- Catherine Perrochi stated that she was having family issues back at home and will not be returning next semester.
- President Richard Dunbar stated the new smoking issue and smoking zones on campus and how there are very limited smoking zones.
- Dean Sullivan stated that SAC conference champs T-shirts are on sale for \$12. Come get yours today!!!
