

ERIN WOOD
Curriculum Vitae

Catawba College
2300 West Innes Street
Salisbury, NC 28144

Mobile: (804) 363-3858
Office: (704) 637-4104
E-mail: ewood@catawba.edu

EMPLOYMENT

| | |
|----------------|---|
| 2016 – current | Associate Professor of Psychology Catawba College Salisbury, NC |
| 2010 – 2016 | Assistant Professor of Psychology Catawba College Salisbury, NC |
| 2009 – 2010 | Adjunct Instructor John Tyler Community College Richmond, VA |
| 2009 – 2010 | Adjunct/Graduate Student Instructor Virginia Commonwealth University Richmond, VA |

EDUCATION

| | | |
|------|-------|---|
| 2010 | Ph.D. | Virginia Commonwealth University, Psychology A Behavioral Comparison of Four Inbred Strains of Mice |
| 2007 | M.S. | Virginia Commonwealth University, Psychology The Discriminative Stimulus Properties of the Atypical Antipsychotic Ziprasidone in Rats |
| 2005 | B.S. | Virginia Commonwealth University, Psychology; Biology, minor University Honors, Magna Cum Laude |

COURSES

| Catawba College | Sections Taught to Date |
|--|-------------------------|
| General Psychology | 16 |
| General Psychology (online) | 6 |
| Data Analysis for the Behavioral Sciences | 5 |
| Data Analysis for the Behavioral Sciences (hybrid) | 1 |
| Health Psychology | 7 |
| Behavioral Modification | 6 |
| Fundamentals of Cognitive Processes w/Lab | 3 |
| Cognitive Processes (no lab) | 1 |
| Fundamentals of Behavioral Neuroscience/Lab | 1 |
| Fundamentals of Learning Processes s/Lab | 1 |
| First Year Seminar: "The Importance of Dishonesty" | 1 |
| Honors First Year Seminar: "The Hare of Hyperbole" | 1 |
| Honors Topics: "Joining the Choir Invisible: On Death and Dying" | 1 |
| Practica | 2 |
| Psychology Topics: Health Behavior Modification | 1 |
| | In Preparation |
| First Year Seminar/Psychology Topics: Sex & Gender | Fall 2016 |
| Honors Topics: "Neurological Differences" | Spring 2017 |
| Psychology Topics: Death & Dying | Spring 2017 |
| | |
| John Tyler Community College | |
| Statistics for the Behavioral Sciences (online) | 2 |
| | |
| Virginia Commonwealth University (graduate student teacher) | |
| Applications of Statistics in Psychology | 2 |
| History of Psychology (capstone) | 3 |
| Physiological Psychology (teaching assistant) | 3 |

CERTIFICATIONS/TRAININGS

-
- Title IX Coordinator Virtual Workshop
 May, 2016; "Tips, Tools and Expert Advice for Title IX Coordinators"; College and University Professional Association for Human Resources (CUPA-HR); Catawba College, NC
- Title IX/Civil Rights Investigator
 September, 2015; Association of Title IX Administrators (ATIXA); Gardner-Webb University, NC
- Title IX Coordinator, Level 1
 June, 2015; Association of Title IX Administrators (ATIXA); San Diego, CA

SERVICE

Governance

| | |
|---|--------------------------|
| Faculty Senate: Chair | 2016 – current |
| Sexual Violence Task Force | 2014 – current |
| Deputy Title IX Coordinator for Athletics | 2014 – current |
| Campus Master Planning Committee | 2013 – current |
| Hearing Committee | 2013 – current |
| Faculty Senate: Secretary | 2014 – 2016 |
| Instructional Support Committee | 2012 – 2014, 2015 – 2016 |
| Learning Technology Task Force: Co-chair | 2012 – 2013 |
| Academic Planning and Assessment | 2010 – 2012 |

Reviewer

IRB proposals; First Family Scholarship judge; Psi Chi Undergraduate and Graduate awards; SEPA conference proposals; campus events; various textbooks/chapters (introduction to psychology and behavioral statistics)

Invited Lectures

| |
|---|
| Faculty Workshop, Catawba College “Traversing the Pathway: Instituting Immersive eTexts Across Courses” April 2015 |
| Faculty Colloquium, Catawba College “Traversing the Pathway: From Hardback to No Back” March 2015 |
| Presentation, North Carolina Athletic Trainers Association conference, Catawba College “Identifying and Responding to Psychological Concerns” July 2014 |
| On-campus Expertise Sharing, Catawba College “Making the Most of What We Don’t Know We Have: Accessing Technological Options in Your Classroom” April 2014 |
| Faculty Colloquium, Catawba College “Reflecting on Technology in the Classroom and Beyond: Poster Presentations at The Teaching Professor Technology Conference, Atlanta, GA: October 4-6, 2013” January 2014 |
| “University of Hawthorn” Continuing Education for Seniors, Oak Park Retirement Community |
| Nutrition for the Aging Body and Mind October 2012 |
| The Importance of Healthy Sleep Practices October 2012 |
| Brain Fitness Best Practices for the Aging Mind October 2012 |
| Technology and Teaching Matters Series, Catawba College |
| Assignments in Blackboard August 2012 |
| PowerPoint Best Practices August 2012 |

“eLearning” Options

November 2012

Tri Beta Induction, Catawba College

“Behavioral Pharmacology: ‘Soft’ Plus ‘Hard’ Equals ... Well, Hard!”

April 2011

Community

Food for Thought

2014 – current

President

2015 – current

United Way “Day of Caring”

September 2014

September 2010

Rowan Country Smart Start Board

2011 – 2014

MENTORING/ADVISING

Faculty Advisor

Catawba College Chapter of Psi Chi, National Honor Society for Psychology

August 2015 – current

Catawba College Diversity Club

August 2014 – current

Research Supervision, Psychology Students

January – May 2016: lead a research “topics course” on health behavior modification, focusing on demographic roles in various sorts of health self-efficacy

Practica

January – May 2014: overseeing one student; focusing on replicating and validating self-efficacy scales in undergraduate student population as related to health-seeking and/or preventive healthcare behaviors; student presented data at campus-wide research symposium
 Catawba College

January – May 2013: overseeing one student; focusing on the function of learning theories in health-seeking and/or preventive healthcare behaviors as moderated by information communication technologies (ICTs)
 Catawba College

Honor’s Thesis Committee

August – December 2012: non-chair position for one students honor’s thesis research project
 Catawba College

Academic Advisees

August 2012 – current: 34 undergraduate, non-declared students until they declare(d)
 Catawba College

General Research/Lab Supervision

August 2005 – May 2010: 2-6 post-baccalaureate and undergraduate technicians/semester
 Virginia Commonwealth University

Research Supervision, Psychology Honors Student

May 2009 – August 2009: one-on-one Undergraduate Laboratory Technician
Opportunity via two separately funded positions (Honors College and Graduate School)
Emphasis on dissertation research and the student's Honors Thesis project
Virginia Commonwealth University

Graduate Student Mentorship Program

August 2008 - May 2009: one-on-one Undergraduate Public Health Student
Emphasis on guidance and communication through graduate school application process
Virginia Commonwealth University

Academic Undergraduate Student Advisor

August 2005 - August 2007: Undergraduate Psychology Advising Center
Ms. Dorothy Fillmore, Department of Psychology, Virginia Commonwealth University

AWARDS

Professional Development Grant

- 2011, 2013, 2014, 2015, 2016: Support attendance to professional (regional psychology) conference
- 2013, 2014: Support attendance to professional (national educational technology) conference
- Office of the Provost, Catawba College

Professional Scholarship

- June, 2015: Registration to national ATIXA Title IX coordinator training
- September, 2015: Registration to ATIXA Title IX/Civil Rights Investigator training

VCU Psychology Department Graduate Research Fellowship

2005-2009: Honor-based fellowship – five total
Graduate School, Virginia Commonwealth University

Outstanding Biopsychology Student Award

Spring, 2009: Department of Psychology
College of Humanities and Sciences, Virginia Commonwealth University

CONFERENCE PRESENTATIONS

Wood, E. (2016). *Using class activities in undergraduate psychology courses to engage students.*

Symposium presentation at the meeting of the Southeastern Psychological Association, New Orleans, LA.

Wood, E. & Hood, K. (2016). *Reliability, validity, and correlations between eight self-efficacy scales and items.* Poster session presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.

- Wood, E.** (2015). *Using class activities to keep psychology students' interested: Symposium II*. Symposium presentation at the meeting of the Southeastern Psychological Association, Hilton Head, SC.
- Wood, E.** (2015). *Health-related self-efficacy and associated demographic and wellness app use trends*. Poster session presented at the meeting of the Southeastern Psychological Association, Hilton Head, SC.
- Wood, E.** (2014). *Traversing the pathway: Experiences instituting immersive eTexts across courses*. Workshop presentation at the meeting of The Teaching Professor Technology Conference, Denver, CO.
- Wood, E.** & Pahwa, S. (2014). *The role of smartphone "apps" in health-related self-efficacy reports*. Poster session presented at the meeting of the Southeastern Psychological Association, Nashville, TN.
- Wood, E.** (2013). *Engaging the change: From hardback to no back*. Poster session presented at the meeting of The Teaching Professor Technology Conference, Atlanta, GA.
- Wood, E., Mathews, M., Blalock, L., Brugman, J., & Hackathorn, J.** (2013). *Welcome to academe: trials and tribulations of the new academic*. Discussion panel conducted at the meeting of the Southeastern Psychological Association, Atlanta, GA.
- Webster, K., **Wood, E.**, Donahue, T., Stewart, J., Porter, J. (2011). *Comparison of B6129F1 hybrid mouse strain with parent strains in locomotor activity and cognitive behavior*. Poster session presented at the meeting of the European Behavioral Pharmacology Society, Amsterdam, Netherlands.
- Donahue, T. Webster, K., **Wood, E.**, Porter, J. (2011). *Acquisition of level press response versus nose poke response in an operant autoshaping task in C57BL/6 mice*. Poster session presented at the meeting of the Society for Neuroscience, Washington, D.C.
- Wood, E., Martorell, E., King, A., Porter, J.** (2011). *A behavioral comparison of four inbred strains of mice*. Poster session presented at the meeting of the Southeastern Psychological Association annual, Jacksonville, FL.
- Wood, E., Prus, A., Porter, J.** (2009). *Comparison of quantal and graded responding measures of discriminative stimulus control in a two-choice low dose clozapine drug discrimination model*. Poster session presented at the meeting of the Biennial European Behavioral Pharmacology Society, Rome, Italy. (Abstract Published in *Behavioural Pharmacology*, Vol. 20, Special Issue 1, Sept. 2009, page S103)
- Wood, E., Vunck, S., Wiebelhaus, J., Walentiny, D., Porter, J.** (2008). *A comparison of the discriminative stimulus properties of the mGluR 2/3 agonist, LY379268 to the atypical antipsychotics clozapine and ziprasidone*. Poster session presented at the meeting of the Society for Neuroscience, Washington, DC.
- Wood, E., Pehrson, A., Wood, J., Prus, A., Meltzer H., Porter, J.** (2007). *The discriminative stimulus properties of the atypical antipsychotic ziprasidone in rats*. Poster session presented at the meeting of the Biennial European Behavioral Pharmacology Society, Tubingen, Germany. (Abstract Published in *Behavioural Pharmacology*, Vol. 18, Supplement 1, Sept. 2007, page S70)
- Wood, E., Holton, I., Pehrson, A., Prus, A., Porter, J.** (2007). *A comparison of the discriminative stimulus properties of the atypical antipsychotic drugs ziprasidone and clozapine in rats*. Poster session presented at the meeting of the Society for Neuroscience, San Diego, CA.
- Wood, E., Pehrson, A., Wood, J., Prus, A., Meltzer, H., Porter, J.** (2006). *Two-lever drug discrimination with the atypical antipsychotic ziprasidone differentiates atypical from typical antipsychotic drugs in rats*. Poster session presented at the meeting of the Society for Neuroscience, Atlanta, GA.

- Pehrson, A., **Wood, E.**, Prus, A., Philibin, S., Porter, J. (2005). *Drug discrimination with the atypical antipsychotic ziprasidone in rats*. Poster session presented at the meeting of the Society for Neuroscience, Washington, DC.
- Philibin, S., Pehrson, A., Prus, A., **Wood, E.**, Wise, L., Porter, J. (2005). *Clozapine drug discrimination: a species comparison between rats and mice*. Poster session presented at the meeting of the Society for Neuroscience, Washington, DC.
- Philibin S., Prus, A., Pehrson, A., **Wood, E.**, Meltzer, H., Porter, J. (2005). The discriminative stimulus properties of the atypical antipsychotic clozapine in C57BL/6 mice. Poster session presented at the meeting of the Biennial European Behavioral Pharmacology Society, Barcelona, Spain. (Abstract published in *Behavioural Pharmacology*, Vol. 16, Supplement 1, Sept. 2005, page S49)

RESEARCH

Current focus:

The effects of mobile information communication technologies (MICTs) on health-seeking behaviors and self-efficacy perceptions of health

Pharmaceutical Research Internship: Conditioned fear, mice

Research & Development, Neuroscience, Pfizer, Groton, CT.

May 2006 - August 2006

Dr. Patricia Seymour
