

## Staff Council Minutes

December 12, 2006

In attendance: Bob Casmus, Chris Walden, Lori Sipes, Jane Snider, Suzanne Wilson, Richard Pickel, Susan Agner

Bob hopes to have an update on the parking and the grievance issues in January. Bob will also be meeting with Dr. Knott and Larry Farmer in December concerning the current transfer policy along with some recommended changes per this procedure.

Staff Council discussed security on our website. Currently any outsider could look at things such as these staff council minutes. Susan suggests that our personal business could be loaded onto Blackboard. Susan will check on a time line for this project.

Our target date for the next all staff meeting is April 12, 2007.

Staff Council will meet on January 24 at 11:00 in the field house.
