Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. This process is mandated by the US Department of Education, requiring schools to verify the data provided on the FAFSA to ensure its accuracy. We must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required document(s). If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet and submit it to the Financial Aid Office.

**NOTE:** *Additional documentation may be requested for clarification.*
