The students chose to continue this Brick Fundraiser that began with the Class of 2010. It was originally started in order to address the much needed repaving of loose bricks on the central portion of Stanback Plaza on campus.

Engraved bricks become lifelong tributes to each supporter who invests in a brick and supports this cause.

As a gift to Catawba College, the Class of 2010 installed a granite slab with the Catawba College emblem on it in front of the steps to the Cannon Student Center’s main entrance as part of the brick project.

You may be assured that your participation in the Catawba College Student Brick Fundraiser will continue to yield rich visual dividends for today and tomorrow.

Thank you for your generous support of the CATAWBA COLLEGE STUDENT BRICK FUNDRAISER!
