### 2020-2021 ASSET VERIFICATION FORM

Student Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_

Email: \_\_\_\_\_ Home/Cell Phone: \_\_\_\_\_

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review via a process called verification. This process is mandated by the US Department of Education, requiring schools to verify the data provided on the FAFSA to ensure its accuracy. We must ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required document(s). If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet and submit it to the Financial Aid Office. **All forms & documentation should be submitted to the Financial Aid Office at Catawba College, 2300 West Innes Street Salisbury, NC 28144 or Faxed to (704) 637-4252. Or to securely upload documents, log into your CatLink Account and use the Financial Aid Document Upload under the Financial Aid Section on the Money Tab. Due to Federal Regulations, no personally identifiable (Tax Return Transcripts and W2 information) can be scanned to email.** **NOTE:** Additional documentation may be requested for clarification.

**Please complete the section below.**

On the FAFSA application you initially submitted, you were not asked by the federal processor to complete the questions regarding asset information. This omission was due to your initial answers to key questions on the FAFSA. Based on the verification process and data that must be corrected, the asset information is now required. The Financial Aid Office has determined that the easiest way to update your FAFSA is to have you complete this form so that we can process the correction on your behalf.
