Athletic Projects & Updates

New Banners Installed around Shuford Stadium:

New Cross Country and Track & Field Indoor Track / Outdoor Track Record Board Installed at Shuford Stadium:

HELP US TURN ON THE LIGHTS

Our Whitley Softball Field is the only sports field in our program without lights.

- All games are played in the afternoon, denying working parents the opportunity to support their children.
- Student athletes miss class in order to play these afternoon games.
- The afternoon class schedules of other students prevent them from attending games and supporting the program.
- Catawba is missing an opportunity to rent the field for community evening activities.

THE LADY INDIANS ARE A PROUD TRADITION AT CATAWBA

- The team and their coaching staff represent our campus with distinction.
- In recent years, the team has made three appearances in the NCAA Regional tournament, and has won two South Atlantic Conference Tournament Championships.
- The team maintains a cumulative GPA of 3.6.

WE ARE ASKING FOR YOUR FINANCIAL HELP

We hope you will consider a gift to this project. Donations may be paid over 3 years.

HELP US TURN ON THE LIGHTS

"Without lights, we have team members with parents who work and can't come and watch us play our afternoon games. It's very upsetting that we don't have their support at our games."
