The South Atlantic Conference announced its AstroTurf Women's Soccer Players of the Week for matches played during Sept. 10 through Sept. 16. Catawba's Jovana Sanchez garnered the Offensive Player of the Week award, while Carson-Newman's Jackie Burns was named Defensive Player of the Week.

A sophomore midfielder from Hickory, N.C., Sanchez led the Catawba Indians offensively to a 4-1 league-opening win over Newberry in their lone contest of the week. She scored the game's first goal and assisted on the next two to finish with four points. This is Sanchez's first Offensive Player of the Week honor.

Athletic Projects & Updates

HELP US TURN ON THE LIGHTS

Our Whitley Softball Field is the only sports field in our program without lights.

- All games are played in the afternoon, denying working parents the opportunity to support their children.
- Student athletes miss class in order to play these afternoon games.
- The afternoon class schedules of other students prevent them from attending games and supporting the program.
- Catawba is missing an opportunity to rent the field for community evening activities.

THE LADY INDIANS ARE A PROUD TRADITION AT CATAWBA

- The team and their coaching staff represent our campus with distinction.
- In recent years, the team has made three appearances in the NCAA Regional tournament and has won two South Atlantic Conference Tournament Championships.
- The team maintains a cumulative GPA of 3.6.

WE ARE ASKING FOR YOUR FINANCIAL HELP

We hope you will consider a gift to this project.
Donations may be paid over 3 years.

HELP US TURN ON THE LIGHTS

"Without lights, we have team members with parents who work and can't come and watch us play our afternoon games. It's very upsetting that we don't have their support at our games."

— Taylor Martin, Catawba Junior and Softball Team Member

As Hurricane Florence made its way inland, several members of the Catawba athletic staff pitched in the help roll up the windscreens on all six tennis courts at the Johnson Tennis Center including the Director of Athletics, Coordinator of Athletic Facilities, Sports Information Director, Men's Basketball Coach, Women's Basketball Coach, Director of the Chiefs Club, members of the both the Catawba men's and women's tennis teams, and both basketball teams. This group effort helped save a full set of windscreens.

Frock Fields took up to six feet of water as a result of the effects of Hurricane Florence.
