Adjunct Faculty Evaluation Form

Adjunct Faculty Member____________________________________
Department_________________
Period Covered_____________________________________
Date of Evaluation___________
Evaluator____________________________

The Evaluator will provide a numerical evaluation in each area and will support that evaluation with a brief narrative, citing supporting evidence from the categories mentioned and/or from other categories relevant to the area. The evaluator’s summary evaluation will reflect the stated weights of the three categories. Numerical evaluations will range from 1 (Unsatisfactory) to 5 (Excellent).
