# GROWTH OPPORTUNITIES FOR BUSINESSES & COMMUNITIES

## Center for the Environment at Catawba College

In partnership with the Catawba College  
Sustainable Business  
and Community Development Program

Presents

## Members of Rocky Mountain Institute & its Energy & Resources Team

*...a nonprofit organization that fosters the efficient and restorative use of  
resources so that companies, governments & organizations can  
increase efficiency, boost profits & help the planet*

**“Tackling Air Quality & Climate Change Issues  
through a Low-Carbon Electrical System:  
Implications for Businesses and Communities”**

*“If communities and businesses think ahead,  
they can become leaders in this important effort.”*

Stephen Doig, Ph.D.
