

Clergy Thriving Grant Agreement

This Agreement outlines the terms and conditions of accepting our grant.

The approved grant amount, (“Funds”) must be used specifically for the designated purpose(s) of your approved Clergy Thriving Grant proposal (the “Purpose”), and you expressly represent and warrant that the Funds will be used exclusively for that Purpose. Approved Funds and Purpose will be clearly outlined in your approval notice. All Funds must be expended within one year. You must submit a written request to us in advance if you wish to change the Purpose of the grant or if you seek an extension should the Funds not be expended within the allotted time requirements.

In addition, we will request a report on all expenditures after one year. Please document activities with photographs and keep detailed records. In select cases we may request further documentation about how the Funds were used and we reserve the right to conduct an audit if necessary. In the unlikely and unfortunate circumstance that it comes to our attention that the Funds were not used for the Purpose, you will be liable for reimbursing Catawba Clergy Network the portion of the Funds that were used for unauthorized expenditures outside of the Purpose.

You may not assign or otherwise delegate your obligations herein without the express written permission of Catawba Clergy Network.

By accepting the Funds, you also grant Catawba Clergy Network permission to use your likeness, photographs, logos, published/printed information, and any other similar materials you supply, without further notice, in press releases and/or publications. You agree that you will not receive any compensation for such usage.

By selecting the box below, you warrant that you are duly authorized to execute this Agreement and that you have read and consented to the terms and conditions herein.
